

# WANDERCRUST PIZZA

Established in 2016 as a street food trader, we have catered at some extraordinary events, from Red Bull Racings summer bash to the Royal Academy of Arts' Christmas Do so we know how to throw a good pizza party!

You can still hire us for events in our cool street food van, but we now have the option to cater for your party in our lovely pubs. We serve our super high-quality traditional wood fired Neapolitan Pizzas in the Crown Pub in Greenwich and the Duke Pub in Deptford where you can hire a space and choose from the set menus below.
